

## My packing checklist for my vacation at BARK!

www.shutterstock.com · 87560917

- My food is portioned out and bagged by meal (plus a couple extras just in case)
- My medications are included with details
- My parents signed me up for cookies and milk this stay (frozen goats milk and treats!)
- I'm signed up for the deluxe spa treatment so I can get dirty at BARK! and my parents will never know ☺
- I am planning to get lots of photos taken, so my parents signed me up for Puppy Postcards (pics and updates) while I am here!
- BARK! has my most current vet contact info. (and updated vaccines)
- BARK! has my parents most up to date contact info.
- I left my rawhides at home (BARK! has lots of safe treat options)
- My parents filled out my boarding sheet already, including pick up time so I can get my bath and/or services done right before I go home!
- I have included a few toys I love to sleep with (optional)
- I have brought a bed or blanket, BARK! Has blue and brown fleece blankets and cots (optional)
- My slow feeder bowl or elevated bowl is included if I use one at home (but I left my regular bowls and food scoops at home) (optional)
- I already told my parents to look at BARK!'s Facebook page for pictures so they don't miss me too much!
